Step 3: [Make an appointment here for a tear down and an itemized estimate.](#) Please use the same form. We provide estimates and require approval to move forward.

Where do we get our pricing? We use flat fee for consumable rebuilds for the head unit and drive. We charge extra for stripped or broken bolts, rotor coating, intercoolers, and multipiece manifolds.

- Centrifugal Supercharger Rebuild: Starts at \$275 USD labor + parts.
- Roots/Twin Screw Supercharger Rebuild (includes drive)(Eaton, Whipple, Lysholm, Kenne Bell, Sprintex): Starts at \$605 USD labor + parts.
- IHI Hellcat, Techco (Includes drive): Starts at \$1100 USD labor + parts.
- Drive snout/Jackshaft without supercharger: Starts at \$55 USD labor + parts.
- Bypass Rebuild: Starts at \$55 USD labor + parts.
- Multi-piece Manifold/Intercooler Clean/Flush/Pressure Test Charge: Starts at \$55 USD labor + parts.
- Friction Reduction Ceramic, Abradable Coating, or Heat Reduction Ceramic Do not measure shafts. 1-7" \$165 USD, 7-9" \$220 USD, 9-12" \$285 USD, 12-16" \$380 USD, 18-24" \$495 USD

Step 4: We have many add on services that can be quoted.

Supercharger porting estimate. Starting at \$110 USD per hour.

Powder coating, ceramic coating, and surface preparation estimate. Color will be verified later. Starting at \$110 per hour.

Custom Fabrication, Aluminum Welding, General Labor: Starting at \$110 USD per hour.

Step 5: Read, Sign, Date and PRINT Form.

[I am aware Conditions of Use, Shipping Policy, Privacy Notice, Warranty Request, FAQ's are all on JBP home page.](#) I authorize JBP to disassemble and inspect the item sent in. I authorize my signature to substitute as an agreement for payment with a credit card, bank or Paypal. If there are any product issues, I agree to submit the item for repair following proper warranty procedures.

Your signature below is REQUIRED. No paperwork, no signature, no service. No communication for over 90 days can result in your supercharger be treated as abandoned. JBP RESERVES THE RIGHT TO REFUSE SERVICE.

Signature: _____ Date: _____

Step 6: Do you want installation gaskets provided on return?

Step 7: Ship your supercharger to the address below, and send no sooner than 2 weeks before your appointment date. We recommend insurance and signature confirmation. You can purchase shipping supplies at www.uline.com

Jon Bond Performance
600 Diagonal St
Algona, IA 50511-3627 USA

Email address: jon@jonbondperformance.com

Phone Number: 1-515-395-2007

Want to know more about the service or the process? We will email documents and call to let you know when the inspection is done, and once approved, the item is ready to go back.

Step 8. Place this **REPAIR REQUEST FORM** in the box. Read link **HERE** On how to properly box and ship your supercharger for safe travel.
